

**Resident asked if Council could allow the use, of the currently barricaded gazebo area, for the upcoming Remembrance Day as it is normally used and will be a loss for the event this year.**

Council advised that it would log this request. [Request #530851](#)

**Residents raised concerns about the access to the beach from Schofield Park. It is over grown and venomous snakes are regularly seen on the path.**

Council it would log this request. [Request #530720](#)

**Resident asked if Council could check the signage along Coowonga Road as you approach the floodway (2<sup>nd</sup> bridge). The speed needs to be reduced before you get to the bridge and a give way sign put up. Long term the floodway/bridge needs to be widened.**

Council advised it would log this request. [Request #530722](#)

**Resident asked if Council would consider installing a new war memorial in Schofield Park.**

Council advised that it would log this request. [Request #530719](#)

**Resident asked if they could be provided with a tree-planting schedule for Keppel Sands.**

Council advised that it would log this request. [Request #530718](#)

**Residents raised concerns about speed signs coming into Keppel Sands especially around the school. They appear to be different from each side of the school.**

Council advised it would log this request – [Request #530852](#)

**Resident asked if the boat ramps could be more regularly pressure cleaned as they become very slippery and a Workplace, Health and Safety concern.**

Council advised it would log this request – [Request #530853](#)

**Resident advised Council that the toilet block at the school is in need of repair. The school has put in a request to the Education Department and they have been out to assess the block but have not been back to do any repairs. Resident asked if Council has any capacity to assist with this.**

Council advised it would email Brittany Lauga, Assistant Minister for Education to get an update for the School.

**Resident asked if solar lighting could be installed at the boat ramp. Another resident responded that the lights at Coorooman boat ramp constantly get stolen.**

Council advised it would log this request – [Request #530854](#)

**Resident advised that the Keppel Sands Road be in need of an upgrade. Is it possible to get traffic counters on the road to determine if a reseal is needed? Coorooman Road is in better condition but more motorists use Keppel Sands Road.**

Council advised it would log this request – [Request #530855](#)

**Resident asked if council would bitumen the last bit of the boat ramp (the one near the helicopter pad).**

Council advised it would log this request – [Request #530856](#)

**Resident thanked council for putting the fence up over the drainage area at the caravan park.**
