

**Resident asked if you lease the land back from the defence force do they pay rates on that land?**

Council advised it would log this request. [Request #531308](#)

**Resident asked if The Defence would be closing off Sharon's Point Road and Deltandra Road?**

Council advised it would make contact with the Defence regarding this

**Resident asked where council was at with the water pipeline renewal.**

Council advised it would log this request. [Request #531311](#)

**Resident asked if Council knew what was happening with the mine.**

Council advised they had set up a meeting with the mine's management, but the meeting had to be cancelled. Will log this request. [Request #531312](#)

**Resident raised concern about the lack of playground equipment in the park for kids to enjoy.**

Council advised it would log this request but it would be pending budget availability. [Request #531316](#)

**Resident asked about divisions and can Livingstone Shire council revert to divisions.**

Council advised that it does not have the opportunity to change this now as the State Government only gives you one opportunity after forming to do this and Livingstone chose to have no divisions. You could however, write to the minister and request.

**Resident raised the issue that leading up to elections they do not see any councillors or candidates in Ogmore, they are the forgotten township in the shire!**

Councillors present apologised for this but advised that elections are an individual choice and Livingstone Shire Council cannot make anyone travel to Ogmore to electioneer.

**Residents raised concerns that if the coalmine was to go ahead, then the coal trains would go through town and the coal dust will contaminate their rainwater tanks. Council needs to be aware of this, as it is their responsibility to provide clean drinking water to the town and should be assisting to prevent this happening or cleaning it up if, it does happen.**

Council advised, it has noted this concern

**Residents asked if the Defence seal the southern entrance to town then could Council consider sealing the northern entrance to town.**

Council advised it would note this if the southern road were ever closed by the Defence.

**Resident asked Council that if Livingstone Shire Council draws water from Rookwood Weir does that affect the rate that they pay for water currently**

Council advised that until this occurs it could not really make comment on this.

**Resident asked if Council could put in a gas BBQ in the park. Have asked on many occasions for this and still have not been successful.**

Council advised it would log this request. [Request #531318](#)

**Resident advised that in discussions with Council regarding the new lease and installation of a community shed, they would be responsible for removing the trees currently on the lease land and the proposed site for the new shed. Can Council assist with the removal of these trees please?**

Council advised it would log this request. [Request #531319](#)

**Resident asked if the name change for the Shire was still going ahead.**

Council advised that this would be discussed again after the local government elections in March 2020.
