

Resident asked for a parking bay for semi's on Rossmoya Road

Council advised it would log this request. [Request #531788](#)

Resident advised that it is illegal to hold community meetings at The Caves Hall when there is no disabled access.

Council advised it would log this request. [Request #531793](#)

Resident advised that whenever it rains the gravel from Plentiful Creek Road washes down in to the creek blocking the creek, usually 10 or 20 cubic meters at a time. The gravel is silting the creek up and it used to be pumped out but now they believe it cannot be. He believes EPA is able to make Council pump this out.

Council advised it would log this request. [Request #531802](#)

Resident asked about Todd's Road that runs through Greenlake Station. The gate that blocked this road had to be removed. Council was then to build 400m road but it is now a 4klm road. Who paid for this? Did property owner sign over piece of land as agreed? Why is the gate off alignment from the road?

Council advised it would log this request. [Request #531805](#)

Resident requested a new footpath between The Caves Hotel and The Caves School

Council advised it would log this request. [Request #531818](#)

Resident asked what has been put in place under Council's management since Tropical Cyclone Marcia to assist residents in their area. They were basically forgotten after the cyclone.

Council advised it would log this enquiry with our Disaster Management team. . [Request #531822](#)
