

Youth in Livingstone

We invite you and your agency to contribute towards our new **'Youth In Livingstone' Facebook Page!**
www.facebook.com/youthinlivingstone

Post on our page to promote your services.

Facebook is a great way for young people to keep in touch with their local community and provides an age appropriate form of advertising!

The link to our Facebook page can also be added to your website or included in any promotional materials. Just let us know if you would like a poster to display.

If you have any content you would like us to promote on your behalf, including workshops, programs or information on your service, please forward the details to sarah.owen@livingstone.qld.gov.au or communications@livingstone.qld.gov.au

In the meantime log on, like us and keep updated!
