

ALTERNATIVE LEARNING SPACE

Rockhampton | Yeppoon

The Alternative Learning Space (ALS) is a flexible learning environment for disengaged students looking to improve their literacy and numeracy skills. The space offers two programs to cater for the different needs of students within the unique Central Queensland catchment: Short courses and BKSB.

THE SHORT COURSES

Available for students age 15-18, these courses provide those who enrol with a year 12 equivalence. This will provide students with pathways to greater employment opportunities or further study. The courses are fully accessible online and supported by an educator at Capricornia School of Distance Education with a supervisor at each of our partnership locations

Some Notes to Remember:

- Both programs enable students to reengage in a flexible, non-threatening environment to gain valuable literacy and numeracy skills
- Completion of these programs provides students with vast opportunities to further their education or source future employment
- Receive regular support by CSDE educator and onsite supervisors for all coursework
