## Vehicle Parking or Permits [continued]

**Resident Parking Permit** where the person resides in a residence situated on a section of road and parking immediately adjacent to the residence is regulated by time, and the residence does not have adequate off-street parking. To be eligible for a resident parking permit, residents must be a primary owner occupier and/or tenant of the property. Eligible residents are entitled to one residential permit (non-transferable) for each vehicle registered to the address.

**Community Service Organisation Parking Permit** where the person will use the parking permit for an activity, which is consistent with the objectives of the community service organisation, and parking is regulated by time.

**Temporary Parking Permit** where it is not reasonably practical for the applicant to carry out the activity unless the designated parking space or spaces are allocated to the applicant's exclusive use for the duration of the activity.

**Works Zone Parking Permit** where the part of the road is adjacent to a site at which the person is proposing to undertake building or construction work, and it is not reasonably practical for all work activity and movements to be confined within the site.

**Visitor Parking Permit** where the parking permit is to be made available by the resident for use by another person who is visiting or attending at the residence.
