

Dear Neighbour,

You may not be aware, but your cat has been wandering around the neighbourhood and has been visiting my property causing a nuisance.

Livingstone Shire Council has provided this letter to assist in mutually resolving the matter. I have decided to let you know about your cat, before making a complaint to Livingstone Shire Council as I am sure you would like the opportunity to resolve this matter yourself.

The *Local Law No. 2 (Animal Management) 2011* states that an owner of a cat has a duty to provide an enclosure and prevent the cat from wandering. There are penalties associated with wandering cats, you may receive a fine and the cat may be impounded if collected by Council.

I understand that you may not know that your cat is wandering and hopefully this letter informs you of your responsibility as a responsible pet owner.

To find out more about wandering cats and the *Local Law No. 2 (Animal Management) 2011*, please visit www.livingstone.qld.gov.au or contact Livingstone Shire Council on (07) 3403 8888.

Kind Regards,

Your Neighbour
