Icare Fundraiser

The Livingstone Icare Community Project Committee hosted 80 guests at Footlights Restaurant on Tuesday 8th March to celebrate International Women's Day. A two-course luncheon was enjoyed, along with a guest speaker, major raffle and hilarious entertainment by Footlights.

Sponsorship and outstanding support from businesses and community members contributed to the final amount of \$6,300.00 being raised.

With ever increasing numbers of individuals and families in need of food assistance in our community and rental increases causing homelessness to become a serious problem, these funds will make such a difference to many of those who need a helping hand and are doing it tough.

Some of the wonderful helpers: Sue, Desley, Wilma and Denise

Donations for the ICare project are always gladly received at the Community Centre. Non-perishable food including tinned food (tuna, soups, baked beans, spaghetti) cereals, long life milk, crackers, muesli bars, pasta and sauce. Ring-pull cans are preferred. Toiletries including shampoo, conditioner, toothbrushes, toothpaste, and deodorant (roll on). No razors please.

International Womens Day was also celebrated at the Yeppoon Showground Saturday Morning Markets.

What to do with your Easter Waste

Alfoil wrappings – these can be made into one large bundle (for example a ball) and put into the recycling bin.

Cardboard boxes – please separate any plastic mouldings before flattening the box then add both to the recycle bin. NOTE: If the plastic is soft and doesn't return to its original shape when scrunched it is not suitable for the recycling bin.

Coles or Woolworths have recycle bins for the 'soft' plastics.

Check out the Waste App. The link below goes to our Council's Waste pages and explains what the App is for and shows a short video about how to use the App. <https://www.livingstone.qld.gov.au/livingstone-waste-wise-app>
