

Scenic Highway Sewer Gravity Trunk Main

Cooee Bay

Project Description:	Construction of a new trunk sewer main adjacent to Scenic Highway in Cooee Bay and Taranganba
Reasons for Project:	Increasing network capacity for future demands on infrastructure
Benefits of Project:	Improved community health and safety through augmentation of the waste water network
Estimated Total Cost:	\$2,484,924
Commencement Date:	20 October 2022
Duration of Project:	Estimated forty-two (42) weeks
Contact Officer:	Marco Bandiera
Public Consultation:	Direct email/letter to key stakeholders Posted on Yeppoon Central Resident Reach page LSC Social media channels – Facebook, Instagram, LinkedIn and Twitter
Potential Interruptions:	Speed reductions to 40km/hr along Scenic Highway adjacent to the works will apply from October 2022 through to April 2023. Road closure of Cedar Avenue scheduled for the first week of April 2023. Part lane closures with detours in place at the intersection of Matthew Flinders Drive and Scenic Highway scheduled for late June 2023.
