

## Birdwood Avenue Footpath Project

- Project Description:** Construction of a concrete pathway along Birdwood Avenue, Yeppoon.
- Reasons for Project:** Council has identified high density pedestrian usage of the road in the immediate location and this project will significantly improve the safety of its pedestrians by the construction of a dedicated pathway.
- Benefits of Project:** Provision of a higher level of safety for pedestrians
- Estimated Total Cost:** \$126,600
- Commencement Date:** December 2023
- Duration of Project:** 7 weeks
- Contact Officer:** Marco Bandiera, Coordinator Urban Operations
- Public Consultation:** Notice of Works issued to residents in the area and direct communication with the residents or property owners who may have temporary driveway access restrictions.
- Potential Interruptions:** Interruptions to normal traffic flow during various stages of the work. Interruptions to normal traffic flow will include:
- Reduced speeds through work areas.
  - Short Term single lane closures to manoeuvre equipment and machinery.
  - Barrier fencing restricting pedestrian access to various area.
  - Parking restrictions in the immediate area where works are being undertaken.
  - Restricted driveway access during the concrete curing time.
