

2024 - 2025 Operational Plan

ABOUT OUR OPERATIONAL PLAN

The Operational Plan is a key strategic document that is developed and adopted with the annual budget. The Operational Plan captures key projects and priorities to be actioned based on the outcomes of the Corporate Plan 2030.

The Operational Plan 2024-25 sets the one-year direction for Council. It articulates Council's deliverables, area of responsibility, addresses Council's risk and monitors the overall performance of Council.

Section 104(5)(a) of the *Local Government Act 2009*, identifies the annual Operational Plan as one of the key financial planning documents of Council. The annual Operational Plan is required to be prepared under Section 174(1) of the *Local Government Regulation 2012* and must be consistent with the annual Budget, showing how Council will progress the implementation of the ten (10) year Corporate Plan and state how Council will manage its operational risks. Section 174(5) of the *Local Government Regulation 2012* requires Council to discharge its responsibilities in a way that is consistent with its annual Operational Plan.

BUILDING OUR OPERATIONAL PLAN

The Operational Plan 2024-25 was prepared in response to achieving the outcomes of the Corporate Plan 2030. The development process was undertaken in conjunction with the 2024-25 budget process in consultation with key Council staff. This Operational Plan links the key initiatives to the five (5) strategic themes below and their associated strategies that are contained in the Livingstone Community Plan:

The draft Operational Plan was adopted at Council's Special Budget Meeting on 23 July 2024.

FEDERAL, STATE AND LOCAL GOVERNMENT RESPONSIBILITIES

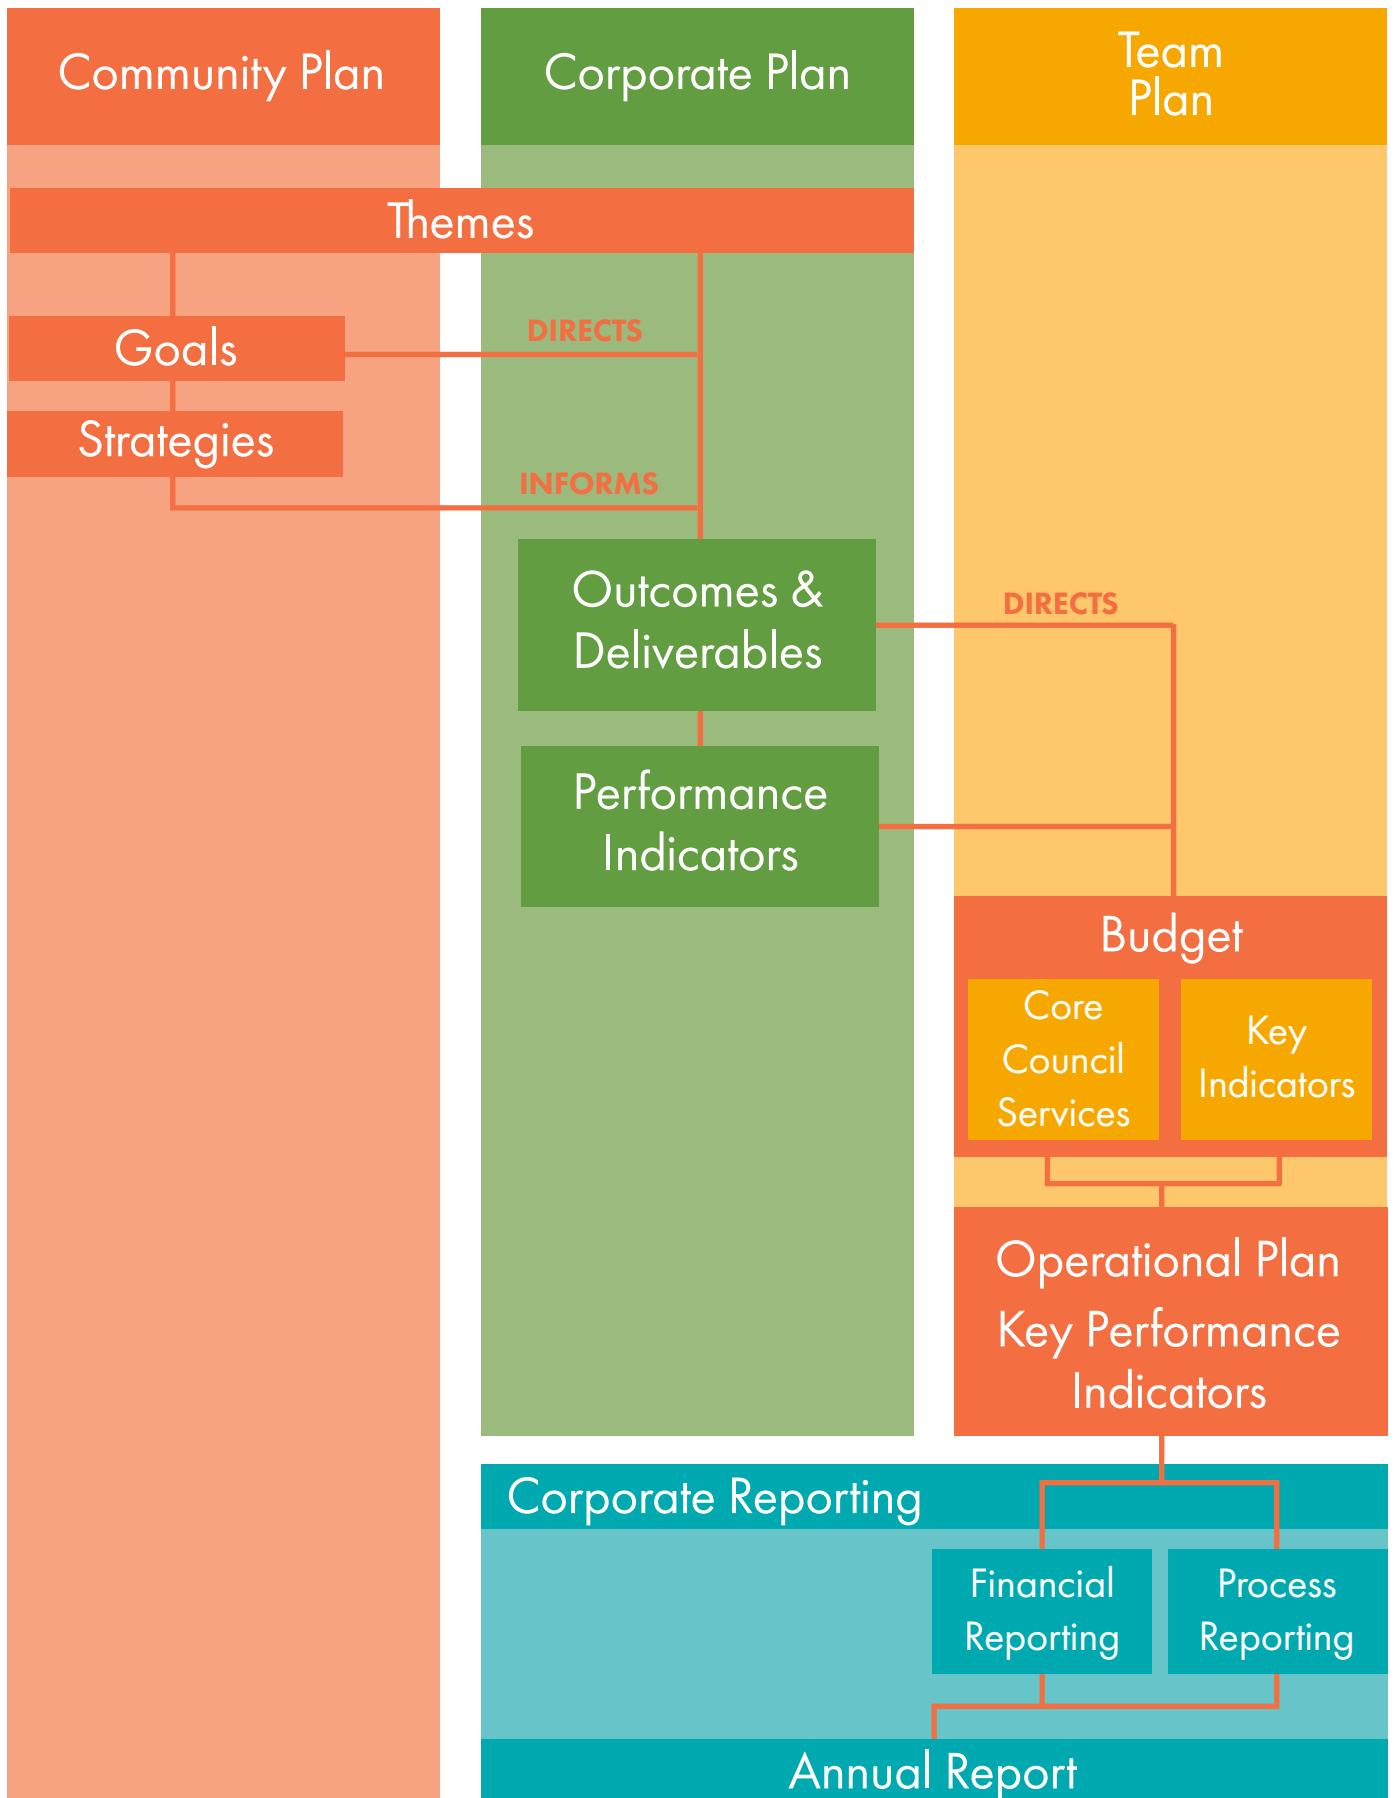

The priorities raised by the community present challenges which cannot be addressed by Council alone. Many of these priorities are the responsibility of other organisations such as Federal Government, State Government and community organisations. In the Livingstone Community Plan: Towards 2050 these organisations are identified for the Livingstone region. Where Council is not responsible for the provision of a service we can advocate to the relevant agency to secure support, funding and agreements for the benefit of the Livingstone community.

OUR ROLE

As we work towards our outcomes, we recognise that not all of them can be achieved by Council alone. Council will fulfil a range of roles in working to achieve the outcomes outlined in this plan.

Council's Role	Description
Provider	Delivering the service
Regulator	Regulating activities through legislation, local laws and policies
Facilitator	Assisting others to be involved in activities by bringing groups and interested parties together
Advocate	Promoting the interest of the community to other decision makers and influencers

STRATEGIC CORPORATE PLANNING FRAMEWORK

MONITORING OUR PROGRESS

Quarterly Performance Report

Every quarter, a performance report is prepared and presented to Council. This report outlines performance against the outcomes of the Corporate Plan and activities of the Annual Operational Plan.

Annual Report

At the end of the financial year, Council produces an Annual Report that reviews the performance achieved. The Annual Report provides the community with operational and financial information about Council's performance against the outcomes and service delivery commitments set out in the Corporate and Operational Plans.

MANAGING OUR RISKS

Council is committed to the continuous improvement of its operations and finding innovative ways of delivering our services to the community without compromising outcomes or raising risks beyond a level Council is willing to accept.

Council recognises that enterprise risk management creates and protects the value that Council generates for the community of Livingstone Shire Council as it works to achieve its vision and corporate objectives. In order to achieve these and other benefits, Council has established Enterprise Risk Management Framework to support a structured and focused approach to managing risk.

Risk is inevitable when an organisation is working in an uncertain environment. Council is duly risk averse and looks to proactively identify, discuss, mitigate or accept and monitor risk in a balanced manner. Council is committed to:

- Establishing and integrating enterprise risk management systems and processes to support this philosophy in an efficient and effective manner.
- Achieving its business objectives by maximising opportunities and minimising or eliminating the impact of risks it can realistically control.
- Behaving as a responsible corporate citizen protecting employees, contractors, visitors and the community from injury and unnecessary loss or damage.
- Regularly reviewing and updating statements on Council's risk appetite.
- Managing interruption to business activities; and
- Creating an environment where all Council employees will take responsibility for identifying and managing risks, by developing and supporting a strong risk management culture.

Council supports risk registers for corporate, operational and project level risks, which are overseen by the Audit, Risk and Business Improvement Committee.

Council's goal is to eliminate all risks which fall within the extreme category and to manage high risks without inhibiting the necessary functions of Council. In circumstances where risks cannot be eliminated, effective risk management strategies are put in place to ensure Council can deliver on its objectives.

Council has appetite for risks associated with;

- Positive impacts on Council's long-term financial sustainability; or
- Improving efficiency and/or generating added sources of income; or
- Improving the economy of the Shire; or
- Ensuring legislative compliance and/or reducing the likelihood of successful legal claims against Council; or
- Ensuring the safety and welfare of employees, contractors and/or members of the community; or
- Maintaining, protecting and/or enhancing the environment to provide greater amenity to the community; or
- Maintaining and where necessary improving service levels of the community; or
- Providing/offering a significant community benefit.

LIVEABLE LIVINGSTONE

A 'Liveable Livingstone' will support and advocate for services for the wellbeing of the people of Livingstone at any age and with any ability.

1.1.1 Foster development to promote a range of housing options by reviewing existing planning and development policies to ensure that Council's development controls facilitate housing choice.
